How to apply: Email resume and references to Dana Van Horn, Agency Manager at dana@grandwater.org

Job Summary

Under the direction of the Operations Supervisor performs highly-skilled operation and maintenance of the Agency's water and sewer systems. GWSSA operates an 1850 connection groundwater system, wastewater collection system, and a pressurized irrigation system including a 2600 AF reservoir. Requirements include a minimum of five years' progressive experience working in the water/wastewater field or closely related industry; or related technical education and demonstrated water/wastewater system experience. Candidates must have experience in operations and new construction of water and wastewater systems. Appropriate Utah State certifications required within one year of hire. Salary DOE with a generous benefits package.

Other Requirements

- Applicant must reside in or relocate to the Moab area.
- Applicant must obtain necessary certification within one year of hire.
- GWSSA is a drug free workplace and EOE. Pre-employment drug screening and background check are required.
